- Set targets for improvement and measure, appraise and report on our performance
- Assess and recognise the health and safety performance of employees and contractors
- Consult and actively promote participation with employees and contractors to ensure they have the training, skills, knowledge and resources to maintain a healthy and safe workplace
- Accurately report and learn from our incidents
- Support the safe and early return to work of injured employees
- Design, construct, operate and maintain our assets so that they safeguard people and property
- Require our contractors to demonstrate the same commitment to achieving excellence in health and safety performance
